Version 7.2 will include all previous versions and updates from January 1, 1996, to the present and will be organized in two tables; Comprehensive/Component Edits (CCE) and Mutually Exclusive Code (MEC) Edits.

The Regional Office Correct Coding Initiative (ROCCI) representatives can access the files from the HDC in the same manner they download the previous versions. The filenames for the regions are:

The CCI and MEC files will maintain the file formats contained in MCM §4630.M (Revised August 1999). The CCI Adds, Deletes, and Correct Coding Changes lists will be forthcoming via electronic mail on or about May 21, 2001.

Due to Current Procedure Terminology copyrights, immediate corrections, if any, will be included in one of the above notifications.

Carriers need not search their files to either retract payment or to retroactively pay claims. However, carriers should adjust claims if they are brought to their attention.
